

**Children & Family Ministries presents**  
**The Flat Jesus Project**

Color flat Jesus.

Cut out flat Jesus.

You may choose to laminate flat Jesus  
or attach a popsicle stick.

Take flat Jesus wherever you go  
(playground, camp, a family reunion, vacation),  
and take lots of photos!

Post photos on St. Philip's Facebook page,  
or pin them on the flat Jesus bulletin board at church!

Visit St. Philip's Facebook page,  
or stop by the bulletin board at church,  
to see where all flat Jesus has been,  
and share with others about where you  
see Jesus this summer.

If you happen to lose flat Jesus, don't panic!  
You'll find another one here:

**And remember the real Jesus is always with you!**

**Happy Summer!**
