

Spanish Winter Session

New Students Welcome!

Señora Perry’s Spanish class continues the week of November 16th. In the Fall Session, students acquired vocabulary for greetings, introductions, numbers, and days of the week. Mexican Independence Day and *Día de los Muertos* gave students an opportunity to discuss cultural celebrations while tasting *pan dulce*. In the Winter Session, students will activate their vocabulary with colors and classroom expressions. With much to learn and celebrate (and eat), the holiday season will offer students the experience of *Las Posadas*, *La Navidad*, and *El Día de Reyes*.
