

Learn Spanish

After School Program

Señora Perry's weekly Spanish class is designed for students both new to Spanish as well as for those wishing to increase their Spanish vocabulary. Students will thrive in this high-energy immersion approach where they play games, sing, role-play, and participate in cultural celebrations. In addition, a packet of materials will be provided in class in which students will track their progress with reading and writing in Spanish.

Dates:

Fall Session ~ 8 weeks
